All our sole colours are solid colours, with the exception of white, silver and gold. The white is printed so you get a better and brighter true white colour. The gold and silver printed pairs are designed to wear to give the illusion of a weathered sand washed beach look.

Now You Can Pick Your Decorations

After years of research and producing your thongs, our rule of thumb is “less is more”.

Kids sizes: 27/28 – 33/34 We recommend no more than 3 decorations on the outside strap and 2 on the inside strap of each thong.

Adult sizes: 35/36 and above. We recommend no more than 4 decorations on the outside strap and 3 on the inside strap of each thong.
